2. The Hirer shall not use the premises for any purpose other than that stated on the Hiring Agreement.
3. In the event of any damage being caused to the hall or contents during a hire, the hirer will be responsible for the cost of repair/replacement. Any damage must be promptly reported to the booking secretary.
4. The hirer will be responsible for the preservation of good order and will ensure that no annoyance or disturbance is caused to nearby residents.
5. At all times that regulated entertainment is taking place, doors and windows will be kept closed except to allow the internal air in the premises to cool, if required, and for access and egress.
6. When regulated entertainment is taking place, steps must be taken to assess and ensure that noise from the entertainment is not audible outside the premises so as to cause a nuisance to any nearby residential property. Where such noise is audible immediate steps must be taken to render it inaudible.
7. The hirer is responsible for preparing the hall for use. Early access may be available for this purpose at the discretion of the booking secretary provided this does not interfere with other users of the hall.
8. The hall must always be left in a clean and tidy condition. Any tables and chairs used must be cleaned and replaced in their storage position. All lights and kitchen water heaters must be turned off before leaving. All internal doors must be left closed and the fire shutter at the kitchen hatch must be closed. All rubbish must be removed. **IF ADDITIONAL CLEANING IS REQUIRED AFTER YOUR BOOKING, THIS WILL BE CHARGED AT AN HOURLY RATE.**
9. No function shall extend beyond midnight without the written agreement of the Management Committee.
10. If alcohol is to be served the hirer must operate a proof of age scheme; no one under 18 may be provided with alcoholic drinks.
11. If preparing or serving food, the hirer must observe all relevant food safety and hygiene regulations.
12. Any electrical equipment brought to the hall by the hirer must be in good working order and used in a safe manner.
13. Cancellation of any booking must be notified to the booking secretary as soon possible and in any case at least 7 days before the intended hire date.

Failure to give 7 day's notice may result in a fee being charged.

14. The hirer will be responsible for ensuring that vehicles brought to the hall by persons attending meetings/events are parked so as not to obstruct the highway or disabled access to the hall.
15. The person identified as the representative on the booking form must be fully conversant with the position of hall fire exits, fire extinguishers, water stop tap and electrical switches. If necessary the booking secretary will make this information known to the hirer.
16. The person identified as the representative on the booking form should make the following fire-procedure announcement to attendees of their event. This should be delivered standing in the main hall immediately in front of the serving hatch, looking into the hall:

“In the event of a fire leave the building through the double doors behind the curtains in the centre of the wall in front of me. Press against the metal bars in the centre of the doors and they will open outwards. There is a second fire exit in the corner diagonally to my right. Exit is also possible from the hallways through the doors behind me to both left and right.

After leaving the building assemble on the village green beside the bus shelter and await instructions before attempting to re-enter the building.”

17. The hall's Public Entertainment Licence permits a maximum of 90 persons to use the hall when seated at tables and hirers must ensure that this number is not exceeded. When users are not all seated at tables this number may be exceeded but the total number of chairs available is 100.

ON LEAVING THE HALL PLEASE USE THE DEPARTURE CHECK LIST AT THE EXIT DOOR.
